

Dartmoor Active Travel Survey

We want to hear about the new active travel routes or ideas you would like to see developed and any existing active travel routes that need improvement. All you need to do is drop a pin on the map to select the location of the improvement or new route and tell us the type of improvement you would like to see. You can submit as many suggestions as you wish.

We want to hear from residents, communities and visitors. There's no need to sign up, simply drop a pin and tell us about:

- **New active travel routes or ideas you would like to see developed.**
- **Existing active travel routes that need improvements.**
- **Your support for someone else's suggestion.**
- **Ideas within the National Park and link routes from nearby settlements.**

This information will help us prioritise future active travel projects when funding becomes available. If there is a * then the question will need to be answered.

Please submit your active travel routes by **Sunday 24th November 2024**.

Locate the improvement you would like to see considered in the Active Travel Plan for Dartmoor

Examples of interventions/improvements could include:

- Proposing a new route from A-B
- Suggesting a route that would complete a missing link - e.g. joining two bridleways, upgrade a footpath to a bridleway to permit horse-riding and cycling.
- Suggesting a quiet lane route for multi-user/modal use - This could mean that signage and speed reductions are considered
- Improved waymarking
- Adding cycle parking
- Safer road crossing

Please use the map below to select the point location where you would like to see an improvement or new route?*

Option 1 - Drop a point where there is an existing path issue you would like to see improved

Option 2 - Draw a line for a new route or section of an existing route/road that you would like to see developed/improved

Option 1*

Find address or place

Map interface showing a search bar, zoom controls, and a location error message. The map displays a network of paths and roads in a rural area, with the name 'Bovey' visible on the right. A search bar at the top left contains the text 'Find address or place' and a magnifying glass icon. On the left side, there are zoom in (+) and zoom out (-) buttons, a home button, and a full-screen button. On the right side, there are icons for a grid, a trash can, and a location pin. A white error message box is overlaid on the map, stating: 'Can not find your location. Please check your browser to ensure that your location is shared.'
