Details of the bank account to receive the grant funds	

Sourton Stitchers

My name is Debbie Ford and I have recently moved to Sourton.

I am looking to start a knitting/craft group on a Tues, weds or Thurs twice a month at the community hall. I would like the group to be open to all, beginner and experienced crafters, a relaxed group where participants can come together with their projects.

I understand there is some funding available to start a group and was thinking about requesting funding for the first 6 months until the group is established and then for the participants to donate each session to cover the hall costs.
